The California Code of Regulations, Title 9, Chapter 11, Section 1810.410(d)(1) specifies: “Each MHP shall provide: a statewide, toll-free telephone number available 24 hours a day, seven days a week, with language capacity in all the languages spoken by the beneficiaries of the MHP as required by Section 1810.405(d).”

PURPOSE OF THE TEST CALLS

Calls to test the MHP’s 24/7 ACCESS Line 1-800-854-7771 (not clinic or other hotline numbers) in the following areas:

- Availability 24-hours a day, seven days a week
- Knowledge and helpfulness of the Access Line staff
- Recording of the call on the ACCESS Call Log
- Response capability in a non-English language
- Information on how to use the beneficiary problem resolution and fair hearings processes

BASIC PRINCIPLES OF THE TEST CALLS

- 1) Before calling please be aware that the ACCESS Center employee MAY ASK YOU for your name, social security number, date of birth, phone number and address. Prior to making the Test call, decide what personal information you are willing to share and what information you will be

providing. IT IS NOT NECESSARY FOR YOU TO SHARE ANY AUTHENTIC PERSONAL INFORMATION AS YOU ARE CALLING IN THE ROLE OF A “SECRET SHOPPER.”

- 2) DO NOT IDENTIFY YOURSELF AS A TEST CALLER.
- 3) **If you make the call for a mental health referral, please** refuse all efforts by ACCESS Line employees to arrange an assessment appointment for you at the clinic site. **Remember, do not make, ask for, or accept appointments as it will tie-up needed clinical services. Instead, you can obtain a phone number and inform the ACCESS Line employee that you have chosen to contact the clinic directly or that you are not ready for an appointment at this time.**
- 4) **Keep the call short and succinct.** Do not unnecessarily tie-up the toll free line with a long call. Keep the line available to those who may need assistance.
- 5) **If asked if you are a Medi-Cal beneficiary, and you respond positively,** you will be asked for your 14-digit Medi-Cal Number. You may provide a fake number or say you don't have it.

- 6) If asked, give a name that you feel comfortable providing to the MHP staff. You may use any name that you choose. **Write down the name (Both First Name and Last Name) given, so the call can be located on the ACCESS Call Log.**
- 7) If you are calling regarding a request for services for someone other than yourself, **please document on the survey form your name(Both First Name and Last Name), as well as the name (First Name and Last name) of the person (beneficiary) for whom you are requesting services.**
- 8) Provide a local street address and phone number, or give general

information such as a few cross-streets or landmarks **(but do not mention about the SA)**. You may also state that you just moved to the area and/or that you prefer not to give your address.

- 9) The 24/7 ACCESS Line Test Calls survey is available online. All survey data to QID must be received via this online survey format.
- 10) **ALWAYS note the time and date of your call and the name of ACCESS Center employee.** This is important in locating your call in the ACCESS Call Log. Even if they do not offer their name, please persist in asking their name and note the name before you end the call. Having the employee's name is important in providing feedback regarding the call and your experience.
- 11) **Each Service Area should make EXACTLY 10 calls -- Five (5) calls during regular business hours (Monday-Friday 8:00 AM to 4:59 PM)**

and
- 12) **Five (5) calls after hours (Monday – Friday 5:00 PM - 7:59 AM), or on weekends (Friday 5:00 PM – Monday 7:59 AM), and/or Holidays (e.g. Monday, February 19th)**

and
- 13) **Each SA will make one beneficiary request call.** Beneficiary request calls are those related to how to use beneficiary problem resolution and Fair Hearing processes or other complaints/questions related to beneficiary services.
- 14) **Each SA will make two crisis scenario calls** (see attached QID lists of crisis scenarios). One call should occur during the daytime and one call should be made after hours. Only the crisis scenarios provided by QID should be used. For all Non-English calls, please request interpreter services.
- 15) Of the 10 calls, **(5 calls should be in English and 5 calls in your Service Area threshold languages)**, see below: Table 1 for the test calls schedule CY 2018 and Table 2 for the list of SA threshold languages.
